

General Laborer

Company Description:

Located in Dekalb, IL, Wehrli Custom Fabrication is a small but rapidly growing family owned and operated company specializing in the manufacture of high-performance diesel truck components and custom metal fabrication. Our continuing growth provides a special opportunity for the right person who wants to build professional expertise with a developing company. At WCFab we are a team-playing group of individuals that take great pride in our reputation for providing the highest quality fabricated parts MADE IN THE USA.

In addition to our metal fabrication, we have a top-of-the-line CNC Machining Department, Powder Coating Services, and Installation division which handles the installation of our product as well as general maintenance and repair on light duty diesel trucks. To aid in the expansion of our product line and manufacturing capabilities, we have relocated (still in DeKalb) to a newly constructed state-of-the-art, climate-controlled, 112,000 sq ft facility as of January 2022.

Position Summary:

We are seeking a General Laborer to perform various tasks to support production, such as assembling products, operating machinery, packaging goods, and maintaining a clean and safe work environment. Key responsibilities include loading/unloading materials, performing quality checks, cleaning equipment, and following instructions from supervisors and experienced team members. This role requires physical stamina, attention to detail, and the ability to work effectively in a team.

Responsibilities will include, but are not limited to:

- **Production support:** Assemble components, operate machinery with supervision, and perform quality checks to ensure products meet standards.
- **Material handling:** Load and unload materials, transport items, and move materials and products within the facility.
- **Maintenance and cleanliness:** Keep the work area clean by removing debris, lubricating machinery, and assisting with equipment upkeep.
- **Safety and compliance:** Follow all safety protocols, wear appropriate personal protective equipment (PPE), and report any safety or equipment malfunctions to supervisors.
- **Team collaboration:** Communicate with coworkers and supervisors, assist with problem-solving, and work as part of a team to ensure smooth production flow

Required skills and qualifications:

- **Physical stamina:** Ability to stand for long periods, lift heavy objects (up to 50 pounds or more), and perform repetitive motions.
- **Attention to detail:** A keen eye for detail is crucial for quality control, safety compliance, and following instructions accurately.
- **Instruction:** Capability to understand and execute verbal and written instructions.
- **Teamwork:** Strong interpersonal skills to collaborate effectively with other team members.
- **Basic tool and equipment knowledge:** Familiarity with hand and power tools can be advantageous.

Education

- High School Diploma or GED

Job Type: Full time, M-F

Pay Scale: Salary/Hourly

Benefits: 401K, Paid Vacation, Paid Holiday, Paid Personal Days, Health/Dental/Vision Insurance with Employee Coverage, Employee Discount, Target Compensation Pay

The information in this position description is intended to convey information about the key responsibilities and requirements of the position. It is not an exhaustive list of the skills, efforts, duties, responsibilities or working conditions associated with the opportunity. Responsibilities are subject to change.
