

Powder Coat Applicator

Position Summary

We are seeking a dedicated and experienced Powder Coat Applicator to join our state-of-the-art production facility. This role is an integral part of our team, focusing on producing polished, top tier finishes for high-performance diesel truck components and custom metal fabrications.

The ideal candidate is someone who thrives in a structured, systematic environment and enjoys the independence of a methodical workflow. If you take pride in precision and have a keen eye for detail, you will excel in our harmonic and efficient shop atmosphere.

Duties and Responsibilities

- Apply powder coating to various metal components with a focus on consistency, quality, and a "beyond-customer-expectation" finish.
- Follow established processes for prepping, hanging, coating, and curing parts to ensure maximum efficiency and quality.
- Inspect finished products for defects, ensuring every piece meets our high-performance standards before leaving the shop.
- Maintain powder coating equipment and a clean, organized workspace to ensure a safe and productive environment.

Qualifications

- 2-3 years powder coating experience required
- High School Diploma or GED
- Ability to stand 8 hours per day.
- Frequently able to lift 25 lbs.
- Occasionally lift 50 lbs.
- Basic mechanical knowledge and use of tools

Job Type: Full time, First shift M-F 7:30am to 4:00pm

Pay Scale: Hourly, Based on Experience

Benefits: 401K with Match, Profit Sharing, Paid Vacation, Paid Holiday, Paid Personal Days, Health/Dental Insurance with Employee Coverage, Employee Discount

Company Description

Located in DeKalb, IL, Wehrli Custom Fabrication is a small but rapidly growing family owned and operated company specializing in the manufacture of high-performance diesel truck components and custom metal fabrication. Our continuing growth provides the right candidate with an opportunity to build professional expertise. At WCFab, we are team-playing individuals that take great pride in our reputation for providing the highest quality fabricated parts MADE IN THE USA.

The information in this position description is intended to convey information about the key responsibilities and requirements of the position. It is not an exhaustive list of the skills, efforts, duties, responsibilities or working conditions associated with the opportunity. Responsibilities are subject to change.
